Please contribute! *MediaLeft* is assisted greatly by the financial support of our readers to continue to be a voice for the continuing struggles for social justice. The need for such a voice is as urgent today as at any time in our 8 years history--to speak out against a world of war, corporate power and obscene wealth concentrated in the hands of a tiny few.

Without the big bucks flowing in from advertising, we rely on our readers and supporters for financial help. We're asking for your generosity once again to fund special research and projects at MediaLeft UK.
